The ASQ toolkit is organized by the medical setting in which it will be used: emergency department, inpatient medical/surgical unit, and outpatient primary care and specialty clinics. All toolkit materials are available on the NIMH website at www.nimh.nih.gov/asq. Questions about the materials or how to implement suicide risk screening can be directed to Lisa Horowitz, PhD, MPH at horowitzl@mail.nih.gov or Debbie Snyder, MSW at DeborahSnyder@mail.nih.gov.
